Properties

Form	sheets
Colour	Dark brown to Black
Water Absorption	0.10%
Recovery	70% of the original thickness
Shore a hardness	35-45
Dimension	25*1000*1500 mm or upon request

Guide to application

Storage:

ALEX JOINTFLEX can be stored for unlimited time, away from excessive heat and direct sun.

Coverage:

By square meter

Packing and sizes:

Sheet size as request

Safety precautions:

No hazards mentioned from using **ALEX JOINTFLEX** in normal use.

Guarantee:

All precaution is taken in manufacture of each product to comply with the standard of each material.

The data sheet for each product for information only and may be corrected and no liability is accepted for it.

The results may have variation because the method of their use condition under which they are applied cannot be anticipated.

Technical Service:

For any technical advice for using the **ALEXCHEM** contact the technical office.
